Help for Teachers:
Upload and embed a video
to your profile page

1. Find the video you would like to embed on your website
2. Click the small YouTube icon at the bottom right of the video screen to watch it on YouTube

3. Once in YouTube click on share underneath the video screen
4. Click on embed to display the embed code

5. Copy and paste the embed code into the video embed code section of the edit profile page
6. Click "save"
